SEPTEMBER 12, 2007

Subject: **Discontinued Service of Civil Process.**

To whom it may concern:

A review of our current workload and budget has determined that we will continue the policy of not accepting those Civil Processes listed in the department's letter of October 1998. The letter stated the following;

Effective October 1, 1998, the Boundary County Sheriff's Office will no longer accept the following categories of civil process:

1. Summons and Complaints
2. Notice of Claim
3. Subpoena
4. Writ of review
5. Restraining order
6. Order to show cause
7. Other miscellaneous orders and notices

The categories listed above do not require service by a Sheriff's Deputy and we have been advised that the State Statues do not compel our office to accept them for service.

We have enclosed a current list of Process Servers who have advised this office that they are available to assist you in your Civil Process needs.

Sincerely,

CRYSTAL DENTON  
CIVIL DEPUTY

GREG SPRUNGL  
Sheriff
