Press Release

The Boundary County Sheriff's Office has been conducting ongoing investigations into several large burglaries that have occurred over the past couple of months. These investigations have resulted in the recovery of some of the stolen property. Arrests have been made in these cases and additional charges are expected in the near future.

On October 2, 35 year old Ronald Mecham from Bonners Ferry was arrested for unlawful possession of a firearm. He was also found in possession of property that had been stolen from Caribou Creek Log Homes. Deputies found lumber at Mecham's residence that was later identified as having been stolen from Paradise Valley Church. That lumber had been reported stolen on August 11 by volunteers who were performing renovation work at the church. The investigation also indicated that Mecham was connected to a motorcycle that was reported stolen on August 4. The motorcycle was recovered on October 1 and returned to its owner.
